**INFORMATION FOR ORDERING ACTIVITIES
APPLICABLE TO ALL SPECIAL ITEM NUMBERS**

SPECIAL NOTICE TO AGENCIES: Small Business Participation

SBA strongly supports the participation of small business concerns in the Federal Supply Schedules Program. To enhance Small Business Participation SBA policy allows agencies to include in their procurement base and goals, the dollar value of orders expected to be placed against the Federal Supply Schedules, and to report accomplishments against these goals.

For orders exceeding the micropurchase threshold, FAR 8.404 requires agencies to consider the catalogs/pricelists of at least three schedule contractors or consider reasonably available information by using the GSA Advantage!™ on-line shopping service (www.fss.gsa.gov). The catalogs/pricelists, GSA Advantage!™ and the Federal Supply Service Home Page (www.fss.gsa.gov) contain information on a broad array of products and services offered by small business concerns.

This information should be used as a tool to assist ordering activities in meeting or exceeding established small business goals. It should also be used as a tool to assist in including small, small disadvantaged, and women-owned small businesses among those considered when selecting pricelists for a best value determination.

For orders exceeding the micropurchase threshold, customers are to give preference to small business concerns when two or more items at the same delivered price will satisfy their requirement.

17. PURCHASE OF OPEN MARKET ITEMS

NOTE: Open Market Items are also known as incidental items, noncontract items, non-Schedule items, and items not on a Federal Supply Schedule contract. ODCs (Other Direct Costs) are not part of this contract and should be treated at open market purchases. Ordering Activities procuring open market items must follow FAR 8.401(d).

For administrative convenience, an ordering activity contracting officer may add items not on the Federal Supply Multiple Award Schedule (MAS) -- referred to as open market items -- to a Federal Supply Schedule blanket purchase agreement (BPA) or an individual task or delivery order, only if-

- (1) All applicable acquisition regulations pertaining to the purchase of the items not on the Federal Supply Schedule have been followed (e.g., publicizing (Part 5), competition requirements (Part 6), acquisition of commercial items (Part 12), contracting methods (Parts 13, 14, and 15), and small business programs (Part 19));
- (2) The ordering activity contracting officer has determined the price for the items not on the Federal Supply Schedule is fair and reasonable;

- (4) All clauses applicable to items not on the Federal Supply Schedule are included in the order.

18. CONTRACTOR COMMITMENTS, WARRANTIES AND REPRESENTATIONS

a. For the purpose of this contract, commitments, warranties and representations include, in addition to those agreed to for the entire schedule contract:

- (1) Time of delivery/installation quotations for individual orders;
- (2) Technical representations and/or warranties of products concerning performance, total system performance and/or configuration, physical, design and/or functional characteristics and capabilities of a product/equipment/service/software package submitted in response to requirements which result in orders under this schedule contract.
- (3) Any representations and/or warranties concerning the products made in any literature, description, drawings and/or specifications furnished by the Contractor.

b. The above is not intended to encompass items not currently covered by the GSA Schedule contract.

19. OVERSEAS ACTIVITIES

The terms and conditions of this contract shall apply to all orders for installation, maintenance and repair of equipment in areas listed in the pricelist outside the 48 contiguous states and the District of Columbia, except as indicated below:

None.

Upon request of the Contractor, the ordering activity may provide the Contractor with logistics support, as available, in accordance with all applicable ordering activity regulations. Such ordering activity support will be provided on a reimbursable basis, and will only be provided to the Contractor's technical personnel whose services are exclusively required for the fulfillment of the terms and conditions of this contract.

20. BLANKET PURCHASE AGREEMENTS (BPAs)

The use of BPAs under any schedule contract to fill repetitive needs for supplies or services is allowable. BPAs may be established with one or more schedule contractors. The number of BPAs to be established is within the discretion of the ordering activity establishing the BPA and should be based on a strategy that is expected to maximize the effectiveness of the BPA(s). Ordering activities shall follow FAR 8.405-3 when creating and implementing BPA(s).

21. CONTRACTOR TEAM ARRANGEMENTS

Contractors participating in contractor team arrangements must abide by all terms and conditions of their respective contracts. This includes compliance with Clauses 552.238-74, Contractor's Reports of Sales and 552.238-76, Industrial Funding Fee, i.e., each contractor (team member) must report sales and remit the IFF for all products and services provided under its individual contract.

22. INSTALLATION, DEINSTALLATION, REINSTALLATION

The Davis-Bacon Act (40 U.S.C. 276a-276a-7) provides that contracts in excess of \$2,000 to which the United States or the District of Columbia is a party for construction, alteration, or repair (including painting and decorating) of public buildings or public works with the United States, shall contain a clause that no laborer or mechanic employed directly upon the site of the work shall receive less than the prevailing wage rates as determined by the Secretary of Labor. The requirements of the Davis-Bacon Act do not apply if the construction work is incidental to the furnishing of supplies, equipment, or services. For example, the requirements do not apply to simple installation or alteration of a public building or public work that is incidental to furnishing supplies or equipment under a supply contract. However, if the construction, alteration or repair is segregable and exceeds \$2,000, then the requirements of the Davis-Bacon Act apply.

The ordering activity issuing the task order against this contract will be responsible for proper administration and enforcement of the Federal labor standards covered by the Davis-Bacon Act. The proper Davis-Bacon wage determination will be issued by the ordering activity at the time a request for quotations is made for applicable construction classified installation, deinstallation, and reinstallation services under SIN 132-8.

Table 2: Error Response by Severity Level

Severity Level	Description	Response Times and Error Resolution
Severity 1: Emergency	Severity 1 means the Vocera System is completely shut down, or is suffering such loss of critical functionality that an entire department or site is unable to utilize the Vocera Software, and no work-around is available.	Vocera will contact End User within 1 hour of receipt of notice of the Incident to collect information and to work with End User's Designated Support Contact to attempt to restore usage of the Vocera Software. Restoration of the Vocera Software may require changes to End User's hardware or network configuration, and may involve loss of data. If Vocera determines that the System outage is due to an Error in Vocera Software, Vocera will engage our development staff to attempt a fix in the next available Service Pack. If the Error in Vocera Software is causing repeated outages and no workaround is available, Vocera will engage our development staff to attempt to deliver an emergency fix on a mutually agreeable timetable.
Severity 2: Time-Critical	Severity 2 means the Vocera System is functioning inconsistently and with such limited capabilities that End User's usage and productivity are significantly impaired, including periodic work stoppages and feature loss, and no work-around is available.	Vocera will contact End User within 4 hours of receipt of notice of the Incident to collect information and to work with End User's Designated Support Contact to attempt to restore the functionality of End User's Vocera Software. Resolution may require that the Vocera System be brought down, or may require changes to End User's hardware or network configuration. If Vocera determines that the loss of functionality is due to an Error in the Vocera Software, Vocera will engage our development staff to attempt to provide a fix in the next available Service Pack.
Severity 3: Standard	Severity 3 means that individual components of the Vocera System are functioning inconsistently and End User's usage and productivity are slightly impaired, but End User can reasonably work around such inconsistency or impairment. Severity 3 Incidents include "how to" questions and issues impacting individual users.	Vocera will contact End User within 24 hours of receipt of notice of the Incident to collect information and to work with End User's Designated Support Contact to verify the problem.
Severity 4: Informational	Severity 4 means the Vocera System is functioning consistently and End User's usage and productivity are not materially impaired. Severity 4 Incidents include feature suggestions and requests for information	Vocera will contact End User within 24 hours of receipt of notice, if a response is requested.

The Solution Design Group, Inc – Definitions

1.1 "Enhancement" Any modification or addition that, when made or added to the Software, materially changes its utility, efficiency, functional capability, or application, but that does not constitute solely an Error Correction. Enhancements may be designated by SDG as minor or major, depending on SDG's assessment of their value and of the function added to the preexisting Software.

1.2 "Error" Any failure of the Software to substantially conform to its functional specifications as published from time to time by SDG. However, any nonconformity resulting from Customer's misuse, improper use, alteration, or damage of the Software, or Customer's combining or merging the Software with any hardware or software not supplied or identified as compatible by SDG, shall not be considered an Error.

1.3 "Error Correction" Either a modification or an addition that, when made or added to the Software, establishes substantial conformity of the Software to the functional specifications, or a procedure or routine that, when observed in the regular operation of the Software, eliminates the practical adverse effect on Customer of such nonconformity.

1.4 "Software" The computer programs described in Exhibit A attached hereto, including any extracts from such programs, derivative works of such programs, or collective works including such programs (such as subsequent Releases) to the extent offered to Customer under this Agreement or the License Agreement.

SDG shall be responsible for using reasonable diligence to correct verifiable and reproducible Errors when reported by Customer to SDG. Following completion of the Error Correction, SDG shall provide the Error Correction through a "temporary fix" consisting of sufficient programming and operating instructions to implement the Error Correction. SDG shall include the Error Correction in all subsequent Releases of the Software. SDG shall not be responsible for correcting Errors in any version of the Software other than the most recent Release of the Software, provided that SDG shall continue to

Vocera Communications, Inc – Not applicable.

- a. The ordering activity may convert term licenses to perpetual licenses for any or all software at any time following acceptance of software. At the request of the ordering activity the Contractor shall furnish, within ten (10) calendar days, for each software product that is contemplated for conversion, the total amount of conversion credits which have accrued while the software was on a term license and the date of the last update or enhancement.
- b. Conversion credits which are provided shall, within the limits specified, continue to accrue from one contract period to the next, provided the software remains on a term license within the ordering activity.

7. TERM LICENSE CESSATION

CorTechs Labs, Inc – Not applicable.

Notable Solutions, Inc – Not applicable

Vocera Communications, Inc – Not applicable.

a. After a software product has been on a continuous term license for a period of _____ * months, a fully paid-up, non-exclusive, perpetual license for the software product shall automatically accrue to the ordering activity. The period of continuous term license for automatic accrual of a fully paid-up perpetual license does not have to be achieved during a particular fiscal year; it is a written Contractor commitment which continues to be available for software that is initially ordered under this contract, until a fully paid-up perpetual license accrues to the ordering activity. However, should the term license of the software be discontinued before the specified period of the continuous term license has been satisfied, the perpetual license accrual shall be forfeited.

b. The Contractor agrees to provide updates and maintenance service for the software after a perpetual license has accrued, at the prices and terms of Special Item Number 132-34, if the licensee elects to order such services. Title to the software shall remain with the Contractor.

8. UTILIZATION LIMITATIONS - (132-32, 132-33 and 132-34)

a. Software acquisition is limited to commercial computer software defined in FAR Part 2.101.

b. When acquired by the ordering activity, commercial computer software and related documentation so legend shall be subject to the following:

(1) Title to and ownership of the software and documentation shall remain with the Contractor, unless otherwise specified.

(2) Software licenses are by site and by ordering activity. An ordering activity is defined as a cabinet level or independent ordering activity. The software may be used by any subdivision of the ordering activity (service, bureau, division, command, etc.) that has access to the site the software is placed at, even if the subdivision did not participate in the acquisition of the software. Further, the software may be used on a sharing basis where multiple agencies have joint projects that can be satisfied by the use of the software placed at one ordering activity's site. This would allow other agencies access to one ordering activity's database. For ordering activity public domain databases, user agencies and third parties may use the computer program to enter, retrieve, analyze and present data. The user ordering activity will take appropriate action by instruction, agreement, or otherwise, to protect the Contractor's proprietary property with any third parties that are permitted access to the computer programs and documentation in connection with the user ordering activity's permitted use of the computer programs and documentation. For purposes of this section, all such permitted third parties shall be deemed agents of the user ordering activity.

(3) Except as is provided in paragraph 5.b(2) above, the ordering activity shall not provide or otherwise make available the software or documentation, or any portion thereof, in any form, to any third party without the prior written approval of the Contractor. Third parties do not include prime Contractors, subcontractors and agents of the ordering activity who have the ordering activity's permission to use the licensed software and documentation at the facility, and who have agreed to use the licensed software and documentation only in accordance with these restrictions. This provision does not limit the right of the ordering activity to use software, documentation, or information therein, which the ordering activity may already have or obtains without restrictions.

(4) The ordering activity shall have the right to use the computer software and documentation with the computer for which it is acquired at any other facility to which that computer may be transferred, or in cases of disaster recovery, the ordering activity has the right to transfer the software to another site if the ordering activity site for which it is acquired is deemed to be unsafe for ordering activity personnel; to use the computer software and documentation with a backup computer when the primary computer is inoperative; to copy computer programs for

safekeeping (archives) or backup purposes; to transfer a copy of the software to another site for purposes of benchmarking new hardware and/or software; and to modify the software and documentation or combine it with other software, provided that the unmodified portions shall remain subject to these restrictions.

- (5) "Commercial Computer Software" may be marked with the Contractor's standard commercial restricted rights legend, but the schedule contract and schedule pricelist, including this clause, "Utilization Limitations" are the only governing terms and conditions, and shall take precedence and supersede any different or additional terms and conditions included in the standard commercial legend.

**Badge Products Limited Warranty (“Limited Warranty”) for Voice Solutions
(including B3000 Customer Care provisions)
Territory: United States and Canada**

This version is current as of April 16, 2012. Please consult www.vocera.com/legal for superseding versions of this Badge Products Limited Warranty that may have been issued subsequent to that date.

1. Standard Warranty.

a. Standard Warranty. Vocera warrants that the wireless communication badges, telephones and battery chargers sold by Vocera (“Devices”) conform substantially to the applicable Product Documentation and are free from defects in materials and workmanship for one year from shipment to the original end user who purchases the Devices (“End User”). “Product Documentation” means the specific Vocera materials listed under “Product Documentation” at vocera.com/legal, as updated by Vocera from time to time. Vocera further warrants that clips, lanyards, batteries and other such accessories sold by Vocera for use with the Devices (“Accessories” and, together with Devices, “Hardware”) are free from defects in materials and workmanship for 3 months from shipment to the End User. This Limited Warranty applies only to the End User. The End User must provide written notice to Vocera that any Hardware is not as warranted no later than 10 business days following expiration of the applicable warranty period, or the right to assert such claim will be deemed waived. As the sole and exclusive remedy, at its option and to the extent permitted by law, Vocera will at no charge either: (1) repair or replace the Hardware with functionally equivalent new, previously opened, or refurbished parts and replacements or (2) refund the net price paid to Vocera for the original Hardware. The repaired or replacement Hardware is warranted for the remaining warranty term of the original Hardware. The obligations hereunder are conditioned upon the End User obtaining a Return Materials Authorization (RMA) and returning the defective Hardware in accordance with the Vocera Badge Products RMA policy at vocera.com/legal, as updated by Vocera from time to time. End User is responsible for shipping charges to return the Devices back to Vocera. Vocera is responsible for shipping charges to return to End User any Device repaired or replaced under the foregoing Standard Warranty. The replacement Hardware becomes the property of the End User and the Hardware replaced becomes the property of Vocera. If Vocera hereafter posts any new or modified version of this Limited Warranty or the Badge Products RMA policy, such new or modified version will apply to products ordered subsequent to the date of such posting.

b. Optional Extensions of Standard Warranty. End User may purchase optional warranty extensions for the Standard Warranty for Devices as offered by Vocera from time to time, but only if End User purchases such warranty extension at the same time as End User purchases the Device. Upon such purchase, End User’s Standard Warranty as set forth in Section 1(a) above shall extend for the applicable time increment beyond the initial one year warranty term for such Devices as described in the Standard Warranty above.

c. Standard Warranty Exclusions. The Standard Warranty does not apply and is void with respect to: (a) cosmetic damage, (b) product that has been improperly installed or maintained, (c) costs of any installation or deinstallation, (d) Hardware not manufactured or supplied by Vocera, (e) failures or defects caused by misuse, abuse, accidents, physical damage, abnormal operation, improper handling and storage, neglect, exposure to fire, fluids, biological waste, hazardous materials, chemicals, excessive moisture or dampness, extreme changes in climate or temperature, spills of food or liquids, or alterations, (f) problems caused by the End User network (e.g., connectivity, coverage or other signal reception problems), (g) floods, (h) acts of God, (i) riots, (j) Hardware from which warranty stickers, electronic serial numbers and/or serial labels have been removed, altered or rendered illegible, (k) Hardware operated outside published environmental parameters, (l) performance of Hardware in combination with other items not manufactured or supplied by Vocera (unless designated by Vocera as compatible with Vocera Devices), (m) any Hardware which has been opened, repaired, modified or altered by anyone other than Vocera or a Vocera authorized service center, (n) engraving; (o) Accessories and materials subject to normal wear and tear, or (p) other circumstances beyond the reasonable control of Vocera.

2. Customer Care Warranty Option for B3000 Badges Only.

a. Option to Add Customer Care Warranty. In addition to the Standard Warranty provided above, Vocera offers an optional Customer Care Warranty coverage solely for B3000 badges which are accidentally damaged in normal use (“Accidental Damage”). The Customer Care Warranty option may only be purchased at the time of purchase of a B3000 badge for the same duration as the Standard Warranty for such B3000 badges (e.g. End User

may only purchase a two year Customer Care Warranty extension if End User has purchased a two year Standard Warranty Extension).

b. B3000 Customer Care Warranty Coverage. Under the B3000 Customer Care Warranty, Vocera shall either repair or replace each B3000 badge that has Accidental Damage where, as a result of such Accidental Damage, the B3000 badge no longer conforms substantially to the applicable Product Documentation. If Vocera determines replacement of the badge is necessary, the replacement badge shall consist of a functionally equivalent and new or refurbished B3000 badge. The repaired or replacement B3000 badge is warranted under the Customer Care Warranty for the remaining warranty term of the original B3000 badge. This Customer Care Warranty applies only to the End User. The End User must provide written notice to Vocera that it plans to return any B3000 badge covered under this Customer Care Warranty no later than 10 days following expiration of the applicable warranty period, or the right to assert such claim will be deemed waived. The obligations hereunder are conditioned upon the End User obtaining a Return Materials Authorization (RMA) and returning the defective or damaged B3000 badge in accordance with the Vocera Badge Products RMA policy at vocera.com/legal, as updated by Vocera from time to time. End User is responsible for shipping charges to return the B3000 badges back to Vocera. Vocera is responsible for shipping charges to return to End User any B3000 badges repaired or replaced under the foregoing Customer Care Warranty. If Vocera hereafter posts any new or modified version of this Customer Care Warranty or the Badge Products RMA Policy, such new or modified version will apply to B3000 badges for which the Customer Care Warranty applies which were purchased subsequent to the date of such posting. The foregoing states End User's sole and exclusive remedy for under the B3000 Customer Care Warranty

c. B3000 Customer Care Warranty Exclusions. The Customer Care Warranty does not apply and is void with respect to: (a) any damage caused by intentional abuse, exposure to fire, biological waste, hazardous materials, chemicals or acts of God; (b) cosmetic imperfections of the external components that do not affect functionality or operation of the B3000 badge; (c) costs of any installation or deinstallation of the B3000 badges; (d) B3000 badges from which warranty stickers, electronic serial numbers and/or serial labels have been removed, altered or rendered illegible; (e) B3000 badges operated outside published environmental parameters; (f) nonfunctional performance of B3000 badges which occurs when the badge is used in combination with other items not manufactured or supplied by Vocera (unless designated by Vocera as compatible with B3000 badges); (g) B3000 badges which has been opened, repaired, modified or altered by anyone other than Vocera or a Vocera authorized service center, (h) engraving; or (i) batteries, battery charges, Accessories or any other hardware not manufacture or supplied by Vocera. Vocera reserves the right to refuse to repair or replace any B3000 badge which Vocera reasonably believes is not covered by the Customer Care Warranty, and in such event will notify End User and provide End User with the option to either have Vocera return the badge to Customer at Customer's expense or dispose of the badge.

d. Excessive Returns. If the total number of B3000 badges returned by End User exceeds 25% of the total number of B3000 badges for which End User has purchased Customer Care Warranty coverage ("Return Limit"), then Vocera reserves the right to charge End User \$120 for each returned B3000 badge that is in excess of the Return Limit. Vocera shall notify End User if the number of B3000 badges returned by End User is approaching the Return Limit to arrange for End User to provide a purchase order to cover the cost of any B3000 badges in excess of the Return Limit.

3. Disclaimer.

EXCEPT FOR THE EXPRESS WARRANTIES ABOVE, AS APPLICABLE, ALL EXPRESS, IMPLIED OR STATUTORY TERMS, CONDITIONS, REPRESENTATIONS, AND WARRANTIES (INCLUDING WITHOUT LIMITATION ALL IMPLIED WARRANTIES AND CONDITIONS OF MERCHANTABILITY, QUALITY OR FITNESS FOR A PARTICULAR PURPOSE) ARE HEREBY EXCLUDED TO THE EXTENT ALLOWED BY APPLICABLE LAW. THIS LIMITED WARRANTY IS PROVIDED ON THE BASIS THAT THE END USER IS PURCHASING THE HARDWARE FOR THE PURPOSES OF A BUSINESS, AND NOT FOR HOUSEHOLD OR CONSUMER USE. VOCERA'S RESELLERS HAVE NO AUTHORITY TO MAKE ANY REPRESENTATIONS OR COMMITMENTS ON BEHALF OF VOCERA OR TO MODIFY, IN ANY RESPECT, THIS LIMITED WARRANTY, ANY OF ITS PROVISIONS OR ANY RIGHTS HEREUNDER. 2.2 Purchase Order Acceptance. No Purchase Order or change in Purchase Order shall be binding upon Vocera unless and until accepted by Vocera by written notice to End User or until Vocera ships all of the Products specified on the Purchase Order. Vocera will notify End User within five Business Days of Vocera’s receipt of a Purchase Order or requested change in a Purchase Order of: (a) Vocera’s acceptance or rejection thereof; and (b) the date estimated by Vocera for shipment of the Products ordered. Any Purchase Order not affirmatively accepted or rejected by Vocera as set forth above will be deemed rejected.

absence of specific shipping and routing instructions, Vocera reserves the right to make selections of common carrier and method of shipment. Vocera shall endeavor to obtain commercially reasonable rates from its shipping vendors for shipments hereunder. Title to the Hardware (except title to Software incorporated therein), and risk of loss or damage will pass to End User upon delivery of the Hardware Products by Vocera to a common carrier. Vocera reserves the right to make partial shipments by line item to End User and invoice End User for such partial shipments. If the shipment of a Hardware Product is delayed by more than 10 Business Days from the anticipated shipment date provided by Vocera, End User's sole and exclusive remedy for such late shipment is the right to cancel the order on two Business Days' notice to Vocera.

3.2 Acceptance. Within 15 days following shipment of any Hardware Product by Vocera, End User may notify Vocera that the Hardware Product is "dead on arrival" or fails to conform to the Product Documentation on first use ("Out-of-Box Failure"). Vocera will have 10 days to respond or issue an RMA number in accordance with the RMA Policy. Vocera will ship a new replacement Hardware Product upon receipt of the affected Product, which is to be returned to Vocera, freight collect. The foregoing is End User's sole and exclusive remedy for an Out-of-Box Failure. 4. Prices and Payment.

4.1 Prices and Taxes. The Prices do not include shipping charges, insurance, or sales, use, excise, withholding or other taxes, tariffs and duties. Consequently, End User shall pay, or reimburse Vocera for, the gross amount of all shipping charges and any present or future sales, use, excise, withholding or other taxes, tariffs and duties applicable to the sale or furnishing of any Products. In lieu of a specific tax, End User may provide Vocera with a tax exemption certificate acceptable to the applicable taxing authority.

4.2 License Type and Fees for Software Products. Vocera Software may be licensed either for a Subscription Term or a Perpetual Term, as further specified on the Quote. Vocera will issue the initial invoice for the Prices for the Products on the date of issuance of the applicable License Key. Vocera will issue such License Key to the End User email address designated on the Quote or such other email address provided to Vocera in writing. End User agrees issuance of such License Key to such End User email address shall constitute delivery of the Software which shall be deemed accepted upon such delivery.

(a) For Subscription Term Software. If End User's Quote specifies a Subscription Term or otherwise identifies a Billing Period of fixed period of time, then such Software shall be considered licensed for a fixed Subscription Term. At the conclusion of each new or renewal Subscription Term, the Subscription Term will automatically be extended for three (3) months unless, prior to the end of such term, either (i) Vocera issues a Quote for an extended Subscription Term and End User issues and Vocera accepts a corresponding Purchase Order or (ii) either party provides written notice of non-renewal to the other. Where the Subscription Term is extended, but no new Quote applies, the pricing set forth in the original quote will continue to apply. Any initial, renewal or modified Subscription Term will take effect upon issuance by End User and acceptance by Vocera of a corresponding Purchase Order.

(b) For Perpetual Term Software. Unless End User's Quote specifies a Subscription Term (as described in Section 4.2(a) above), End User's license shall be for a Perpetual Term.

(c) For Pilot Software Licenses. From time to time, Vocera may also issue a pilot license for certain Software on a trial basis, in which case the term shall be limited to the term specified by Vocera in writing.

4.3 Payment. Payment shall be due net thirty (30) days from the date of invoice, which shall be on or subsequent to the (i) date of shipment of Hardware Products, (ii) the date of issuance of the applicable License Key for Software Products and Software Maintenance and Technical Support, (iii) the anniversary date for renewal Subscription Terms, or (iv) for Vocera Care Transition Software, the date applicable to each Billing Period set forth in the Quote, if any. End User agrees to pay interest on overdue amounts at an interest rate of twelve percent (12%) per year, compounded monthly or, if less, such rate as is allowed by law. Each delivery and partial shipment of Products will be considered a separate and independent transaction for which End User is required to make payment. End User shall not make deductions in anticipation of credit allowances. Vocera reserves the right to periodically request financial statements and reference information from End User for the purpose of establishing and maintaining open credit account terms. Vocera reserves the right to change payment terms (including without limitation requiring End

User to secure payment through an irrevocable letter of credit) if at any time, in Vocera's sole discretion, End User's financial condition or payment record so warrants.

5. Termination.

5.1 Termination by Vocera for Cause. Vocera may, at its option, terminate this Agreement and corresponding Software licenses, disable the Software, and accelerate the amounts due to Vocera if: (a) End User fails to pay Vocera any monies due and payable to Vocera within fifteen (15) days after written notice of non-payment from Vocera; (b) End User fails to cure any material breach of its obligations under this Agreement within thirty (30) days after Vocera provides written notice setting forth the alleged default; or (c) End User breaches any term of any other agreement between End User and Vocera and does not cure the breach within applicable cure periods, if any.

5.2 Termination by End User for Cause. If End User claims that Vocera has materially defaulted in the performance of the duties and obligations of Vocera as expressly set forth herein, End User shall provide written notice specifically setting forth the alleged default(s) and Vocera shall have thirty (30) days within which to cure such default. End User's sole and exclusive remedy, for any breach of this Agreement by Vocera, shall be to terminate this Agreement, including any current Software licenses.

5.3 Termination for Convenience. Either party may terminate this Agreement for convenience at any time upon thirty (30) days' prior written notice to the other party so long as no Subscription Term remains in effect at the time of termination.

5.4 Effect of Termination. Upon termination of this Agreement for any reason (a) End User shall immediately discontinue all use of the corresponding Software Products, (b) the provisions of this Agreement pertaining to the confidentiality, non-use and nondisclosure of Confidential Information (as defined below) in Section 7 and Sections 8, 9 and 10 shall survive, and (c) within ten (10) days of termination, End User shall return to Vocera all copies of the corresponding Software (including updates and enhancements) and Product Documentation or other related materials.

6. Product Changes.

Vocera shall have the right, in its absolute discretion, without liability to End User, to update to provide new functionality or otherwise change the design of any Product or to discontinue the manufacture or sale of any Product. Vocera shall notify End User at least 90 days prior to the delivery of any Product which incorporates a change that adversely affects form, fit or function ("Material Change"). Vocera shall also notify End User at least 90 days prior to the discontinuance of manufacture of any Product. Notification will be made as soon as reasonably practical for changes associated with regulatory or health and safety issues.

7. Confidential Information.

7.1 Definition. "Confidential Information" of one party (the "Disclosing Party") means any and all technical, financial, and business information of the Disclosing Party or of a third party to whom the Disclosing Party has an obligation of confidentiality, whether disclosed to the other party (the "Receiving Party") before or after the Effective Date and whether disclosed in writing, orally, or by electronic delivery, including without limitation any information relating to the Disclosing Party's or such third party's techniques, algorithms, know-how, current, future and proposed products and services, suppliers, research, engineering, designs, financial information, procurement requirements, purchasing, manufacturing, customer and End User lists, business forecasts, sales and merchandising, and marketing plans. Notwithstanding the foregoing, Confidential Information includes only that information that: (i) if delivered in writing or electronically, is designated conspicuously as "Confidential" or the like; and (ii) if delivered otherwise, is identified as confidential at the time of first disclosure and is summarized in a writing sent by the Disclosing Party to the Receiving Party within 30 Business Days of any such disclosure.

7.2 Obligations. The Receiving Party will maintain in confidence all Confidential Information of the Disclosing Party and will not use such Confidential Information except as expressly permitted herein. The Receiving Party will take all reasonable measures to maintain the confidentiality of such Confidential Information, but not less than the measures it uses for its confidential information of similar importance. The Receiving Party will limit the disclosure of Confidential Information of the Disclosing Party to those of its employees and contractors with a bona fide need to access such Confidential Information for the Receiving Party's exercise of its rights and obligations under the End User Agreement; provided that all such employees and contractors are subject to binding use and disclosure restrictions at least as protective as those set forth herein. The Receiving Party hereby guarantees the performance of the provisions hereof by each person obtaining Confidential Information directly or indirectly from such Receiving

Party. The Receiving Party will promptly give notice to the Disclosing Party of any unauthorized use or disclosure of the Disclosing Party's Confidential Information of which the Receiving Party becomes aware and will assist the Disclosing Party in remedying such unauthorized use or disclosure. The Receiving Party will not reverse engineer, disassemble, or decompile any Products, samples, prototypes, or other tangible objects provided by the Disclosing Party hereunder except with the express written authorization of the Disclosing Party. The obligations set forth in this paragraph shall survive for a period of three years after the longer of expiration or termination of the End User Agreement, if applicable, or the Quote Expiration Date.

7.3 Exclusions. The foregoing obligations on use and disclosure will not apply to any specific Confidential Information that (i) is or becomes generally known to the public through no act or omission of the Receiving Party; (ii) the Receiving Party can demonstrate by written evidence was rightfully in the Receiving Party's possession at the time of disclosure, without an obligation of confidentiality; (iii) the Receiving Party can demonstrate by written evidence was independently developed by the Receiving Party without use of or access to the Disclosing Party's Confidential Information; or (iv) the Receiving Party rightfully obtains from a third party not under a duty of confidentiality and without restriction on use or disclosure. Notwithstanding the obligations on use and disclosure set forth above, the Receiving Party may disclose the Disclosing Party's Confidential Information to the extent required by law, regulation, or court order, provided, however, that the Receiving Party notifies the Disclosing Party promptly after becoming aware of its obligation to make such disclosure and permits the other party to seek a protective order or otherwise to challenge or limit such required disclosure.

7.4 Protected Health Information. This Section applies only to End Users regulated under state and federal laws regarding individually identifiable health information ("Protected Health Information" or "PHI") including, but not limited to, the Health Insurance Portability and Accountability Act of 1996 (P.L. 104-191) and rules and regulations adopted in connection therewith. Vocera acknowledges that such End Users may be subject to various state and federal laws regarding the confidentiality and security of PHI, including, but not limited to, the Health Insurance Portability and Accountability Act of 1996 (P.L. 104-191) commonly known as HIPAA as well as the rules and regulations adopted and to be adopted in connection therewith. If in the course of performing its obligations under this Agreement, Vocera obtains or has access to PHI, Vocera agrees that any PHI received by it shall be held strictly confidential, and shall not be used by Vocera or disclosed by Vocera except as specifically provided in a separate writing or as permitted by law. If End User is deemed a "Covered Entity" and Vocera is deemed a "Business Associate" under applicable law, the parties shall be subject to the Business Associate Agreement which is mutually agreed to in writing by the parties. The Vocera Products are communication tools only and not a substitute for professional healthcare. Vocera is not a provider of healthcare services. End User and its employees and agents remain solely responsible for timely, accurate and complete communications related to healthcare and are solely responsible for the timeliness and quality of healthcare and services provided by End User and its agents.

7.5 Return of Information. Upon the expiration or termination of the End User Agreement, if applicable, or the Quote Expiration Date, the Receiving Party shall, upon request from the Disclosing Party: (i) return to the Disclosing Party all documents, samples, tapes, magnetic disks, CDs, and other tangible items containing or representing the Disclosing Party's Confidential Information and all copies thereof (other than Products and Product Documentation already paid for by End User) in whatever form; (ii) erase or destroy all of Disclosing Party's Confidential Information contained in computer memory or data storage apparatus; and (iii) certify to the Disclosing Party in writing signed by a duly-authorized officer of the Receiving Party that the Receiving Party has complied with the terms of this Section.

8. Defense of Certain Claims.

8.1 Defense. Vocera will, at its own expense, defend End User from or settle any third party claim, suit or proceeding brought against End User to the extent it is based upon a claim that any Product used as contemplated by the Product Documentation: (i) infringes in the applicable Territory defined in this Agreement upon any patent, trademark or any copyright or (ii) misappropriates any trade secrets of any third party alleged to be valid in the Territory ("IP Right"). Vocera will indemnify and hold End User harmless from all amounts (i) awarded by a court of competent jurisdiction in such matter (including damages, costs and fees) but only to the extent attributable to an allegation that End User's use of the Product, authorized hereunder, infringes an IP Right or (ii) agreed in a settlement to which Vocera has assented in writing. The foregoing is contingent on End User providing Vocera prompt written notice of any such claim or action and giving Vocera full information and assistance in connection with defending and/or settling such claim, at Vocera's sole expense. Vocera shall have the sole right to control the defense of any such claim or action and the sole right to settle or compromise any such claim or action. If a Product is, or in Vocera's

opinion might be, held to infringe or misappropriate as set forth above, Vocera may, in addition to its aforementioned obligations and at its sole option and expense, replace or modify such Product so as to avoid infringement or misappropriation, or procure the right for End User to continue the use of such Product. If neither of such alternatives is, in Vocera's opinion, commercially reasonable, at Vocera's request, such Product shall be returned to Vocera and Vocera's sole and exclusive liability, in addition to its obligation to reimburse awarded damages, costs and expenses as set forth above, shall be to refund the amounts paid for such Product by End User, amortized over a useful life of five (5) years. If the "Territory" is not otherwise defined in an agreement between the parties, "Territory" shall mean the country where the primary use of the Product occurs.

8.2 Limitations. The foregoing obligations of Vocera will not apply to any claim arising out of: (i) the alteration of a Product by End User or a third party, (ii) the combination of a Product with goods or services not provided by Vocera where such infringement arises from the combination and where the Product could have been used, in the manner contemplated by its applicable Product Documentation, in a manner not giving rise to such infringement, or (iii) the failure to use the latest version of any software contained in any Product, in each case to the extent that infringement or misappropriation otherwise would have been avoided.

8.3 ENTIRE LIABILITY. TO THE FULL EXTENT PERMITTED BY LAW, VOCERA'S PERFORMANCE OF ITS OBLIGATIONS UNDER THIS PROVISION SHALL BE A SOLE AND EXCLUSIVE REMEDY WITH RESPECT TO INTELLECTUAL PROPERTY RIGHTS, THE ALLEGED INFRINGEMENT OR MISAPPROPRIATION THEREOF AND ANY IMPLIED OR STATUTORY TERMS, CONDITIONS, REPRESENTATIONS, AND WARRANTIES OF NON-INFRINGEMENT.

9. Damages Exclusions and Limitations.

WITHOUT PREJUDICE TO ANY OF THE FOREGOING, AND NOTWITHSTANDING ANY FAILURE OF ESSENTIAL PURPOSE OF ANY LIMITED REMEDY, VOCERA'S LICENSORS (AS DEFINED IN THE APPLICABLE EULA) DISCLAIM ALL LIABILITY TO END USER FOR DAMAGES OF ANY KIND AND VOCERA WILL NOT BE LIABLE FOR:

- (A) LOST PROFITS, LOST REVENUE, LOST INTEREST, LOST GOODWILL, LOSS OR CORRUPTION OF DATA OR FOR ANY LOSS OF OR INTERRUPTION TO BUSINESS;
- (B) COSTS OF PROCUREMENT OF SUBSTITUTE PRODUCTS OR SERVICES;
- (C) SPECIAL, INDIRECT, CONSEQUENTIAL, INCIDENTAL OR EXEMPLARY DAMAGES ARISING OUT OF OR RELATING TO TRANSACTIONS UNDER THIS AGREEMENT (I) HOWEVER CAUSED OR ALLEGED TO BE CAUSED, (II) EVEN IF VOCERA HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, (III) WHETHER GROUNDED IN WARRANTY, NEGLIGENCE, TORT, STRICT LIABILITY, BREACH OF CONTRACT, CIVIL LIABILITY OR OTHER CAUSE OF ACTION OR CLAIM UNDER OR IN CONNECTION HERewith OR THE SUBJECT MATTER HEREOF, AND (IV) REGARDLESS OF WHETHER MADE IN THE FORM OF AN ALLEGATION, DEMAND, SUIT, ACTION OR OTHER PROCEEDING OF ANY KIND (COLLECTIVELY, "CLAIM"); OR
- (D) ANY AMOUNT EXCEEDING THE "LIABILITY LIMIT" (AS DEFINED BELOW).

THE "LIABILITY LIMIT" IS ONE HUNDRED FIFTY PERCENT 150% OF THE AMOUNT ACTUALLY PAID BY END USER FOR THE SPECIFIC PRODUCT UNITS, SOFTWARE, OR SERVICES SUBJECT TO THE CLAIM WITHIN THE TWELVE (12) MONTHS PRIOR TO THE DATE OF THE CLAIM FOR (I) SOFTWARE WHERE THE CLAIM PRIMARILY RELATES TO SOFTWARE, INCLUDING BUT NOT LIMITED TO SOFTWARE LICENSED TO VOCERA BY THIRD PARTIES, OR TO VOCERA'S EULA; (II) HARDWARE PRODUCTS WHERE THE CLAIM RELATES PRIMARILY TO HARDWARE PRODUCTS OR TO THE HARDWARE WARRANTY OR RMA POLICY; (III) SUPPORT SERVICES WHERE THE CLAIM PRIMARILY RELATES TO VOCERA'S SOFTWARE MAINTENANCE AND TECHNICAL SUPPORT; (IV) SERVICES OTHER THAN SUPPORT SERVICES WHERE THE CLAIM PRIMARILY RELATES TO SUCH SERVICES, AND/OR AN ENGAGEMENT LETTER PURSUANT THERETO; AND, WHERE CLAUSES (I) THROUGH (IV) ARE NOT APPLICABLE, (V) PRODUCTS AND/OR SERVICES AS APPLICABLE.

IF ANY PART OF THIS SECTION 9 IS FOUND TO BE UNENFORCEABLE BY ANY COURT OR COMPETENT AUTHORITY OR WOULD BE FOUND TO BE UNENFORCEABLE IF IT WERE INTERPRETED OR CONSTRUED IN A PARTICULAR WAY, THEN, THE RELEVANT WORDING SHOULD BE INTERPRETED OR CONSTRUED SO AS TO AVOID SUCH A FINDING AND THAT, IN THE EVENT OF SUCH A FINDING, THE REMAINDER OF THE PROVISION IN QUESTION SHALL BE INTERPRETED OR CONSTRUED TO GIVE IT FULL EFFECT.

10.4 Assignment. The Agreement is personal to the parties, and neither party may assign or otherwise transfer any of its rights or obligations hereunder, whether voluntarily or otherwise, without the prior written consent of the other; provided, however, that either party may assign in connection with an acquisition of all or substantially all of the assets or equity of such party by a third party. Any other attempted assignment or transfer without such consent shall be null and void. Subject to the foregoing, the Agreement will inure to the benefit of and be binding upon the permitted successors and assigns of the parties.

10.8 Interpretation. Headings in any portion of this Agreement are for convenience only and will not in any way define or affect the meaning, construction, or scope of the provisions hereof. If any provision of this Agreement is deemed to be invalid, illegal or unenforceable, such determination shall not impair or affect the validity of the remaining provisions.

10.9 Injunctive Relief. Each party acknowledges that the disclosure of Confidential Information to the other party creates a relationship in which each is placing confidence and trust in the other, and that the unauthorized disclosure or use of such information would cause irreparable harm and significant injury that may be difficult to ascertain. Accordingly, each party agrees that, notwithstanding anything in the Agreement to the contrary, a party may seek to enforce its rights with respect to the protection of such party's Confidential Information or Intellectual Property Rights hereunder, or the licensing of software, through equitable relief in a court of competent jurisdiction, including but not limited to an immediate injunction, and each party hereby waives any argument that the other has an adequate remedy at law.

In any litigation, arbitration or court proceeding between the parties with respect to the Agreement, the prevailing party shall be entitled to recover, in addition to any other amounts awarded, attorneys' fees and all costs of proceedings incurred in enforcing the Agreement.

Screening is conducted in accordance with applicable federal and state laws including the Fair Credit Reporting Act (FCRA). The screenings are by an outside agency. The screening report includes information concerning driving record, education records, and civil/criminal court records (over the last seven years).

(b) All employees that are expected to provide professional services at the End User site are required to take a standard drug urine test designed to detect casual drug use that occurred within the past 72 hours. Testing is performed at Substance Abuse and Mental Health Services Administration (SAMHSA)-certified laboratories. The drug test is a ten panel test that includes and supplements the federally mandated (SAMHSA/DOIT) five-drug panel. The ten panel screens for the presence of the following drugs and drug classes: amphetamines (amphetamine and methamphetamine), barbiturates (amobarbital, butalbital, pentobarbital, phenobarbital, and secobarbital), benzodiazepines, cocaine metabolite, marijuana metabolites, methadone, methaqualone, opiates (codeine and morphine), phencyclidine, and propoxyphene.

Vocera represents that (i) it has not been convicted of a criminal offense related to health care, and (ii) it is not currently listed by a federal agency as debarred, excluded or otherwise ineligible for participation in federally funded health care programs. Vocera shall notify End User immediately, in writing, of any change in this representation during the term of this Agreement. Such change in circumstances shall constitute cause by the End User to immediately terminate this Agreement.
